talkingpoints

1. Describe where Mephibosheth was in his thinking before he met David? How did that change after meeting David? How is that similar to God and us?
2. What does it mean to grow in grace? What is our motivation (reason why) for why we grow in grace?

STEPS**

Christ offers the abundant life—a life of faith, hope, purpose and meaning. It's easy to find ourselves settling for less, and hiding out in our Lo-debar. This week—live a grace-filled life. Thank God for His grace. Be gracious towards others (in your speech and behavior). Come to the table, and bring someone with you!
