PSALM 119

God's Word: Your Perfect Guide for Life

Psalm 119 is an amazing section of the Bible:

- It's the longest psalm, the Bible's longest chapter, and probably the most carefully structured.
- It has 22 stanzas, each with 8 verses. Within each stanza, the first word of each verse begins with the same letter. The psalm gradually works, stanza by stanza, through all 22 letters of the Hebrew alphabet.
- It's all about God's revelation to mankind, which is why these words show up throughout its 176 verses: *law, testimonies, precepts, statutes, commandments, rules, word.*
