

Plagues of Locusts and Darkness

Exodus 10

Discover the Bible

1. God told Moses to talk to Pharaoh. With purple, circle Pharaoh. God said he hardened Pharaoh's heart so the Israelites would teach their children and grandchildren about the amazing things God did to the Egyptians. Color the children and grandchildren. God wanted them to know about him. God wants you to know about him too!
2. Moses told Pharaoh to let the Israelites go. Color the arrow green. Pharaoh said, "No!"
3. God sent another plague on the Egyptians. God told Moses to stretch out his staff over Egypt and the wind blew locusts (grasshoppers) all over Egypt. The locusts ate all the plants in Egypt! All the plants that the Egyptians used for food were eaten by locusts! Draw green grass for the locusts to eat.
4. Pharaoh begged Moses to pray for God to take the locusts away. Moses prayed and God took the locusts away. Color the cloud with "God" yellow. God listens to your prayers too!
5. Next, God told Moses to stretch out his hand toward the sky and God made it dark in Egypt for three days. Trace the 3. God did not send darkness to the Israelites in Goshen. They had light. Color yellow light around the Israelites' faces.
6. Moses told Pharaoh to let the Israelites go. Pharaoh said, "No! I never want to see your face again!" Pharaoh was very angry. Color Pharaoh's angry face red.
