

Miracles To Come

This study has focused upon the *Miracles of Jesus*. This is not a complete study of the subject of miracles. There were many miracles found in the O.T. After Jesus ascended to Heaven, the apostles often used miracles to confirm the word that they were preaching. We have tried to show in this study the special use of the word 'miracle.' Birth is not a miracle. It happens naturally every day. Sunrises and sunsets are not miracles. A miracle is the impossible. It is something that nature will not allow.
