

...if the foundations are destroyed, what can the righteous do? (Psa 11:3)

Erosion (noun): the process by which a surface is slowly worn away by an active force.

What sort of “active forces” regularly come in contact *with* our marriages that may not always have the most positive impact *on* our marriages?

Four Possible Sources of Marital Erosion:

- Unintentional _____

- Unrelenting _____

- Undeniable _____
 - ▶ Different _____ backgrounds

 - ▶ Different _____

 - ▶ Different _____

- Unfocused _____
