

Let's begin by reminding ourselves of some **foundational input** from our Creator:

- ◆ Manhood and womanhood was _____ idea (Gen 1:27-28)
- ◆ Marriage is a God-_____ union (Gen 2:23-24)
- ◆ The Son of God himself taught, "What therefore God has _____ together, let not man _____" (Matt 19:1-12)

Who is Our Creator Willing to "Join"?

- One who has _____ been married (Gen 2:24; 1 Cor 7:8-9, 28)
- One whose spouse has _____ (Rom 7:1-3)
- One who _____ his/her spouse for sexual immorality (Matt 19:9; 5:32)
- One who is _____ with his/her spouse (1 Cor 7:10-11)

When His Will is Disregarded...

- ❖ People may be "married" in the eyes of human society, but that doesn't mean it is "_____ " for them to be together (Mark 6:17-18)
- ❖ People may be consenting and committed, but that doesn't mean their union is "_____ " (Rom 1:26-28; Isa 5:20)
- ❖ These are avenues of alienation from God... (Rom 3:23; 6:23; 1 Cor 6:9-10)
- ❖ ...but _____ is available to all (1 Cor 6:11)
