

1. God has _____ for your life (Mt 28:19-20)
- there is not _____ of your life without God's rules

THE RULES OF MARRIAGE

Understand that there are TWO SETS OF RULES governing us:

1. G _____ Rules
2. G _____ Rules

- Both are important and often _____ each other
- Sometimes these rules _____. God is the ultimate authority

A. What Are God's Rules About

Marriage? ^a (Matthew 19:1-9)

1. This was a _____ question (3)
2. Jesus' answer is: _____ (4-6)
3. Another _____ (7)
How can you say _____ when Moses said _____?
4. The answer remains: _____ (8)

B. The rule: If I divorce and marry someone else, I am committing adultery. I am still _____ together (Rom 7:2-3)

Adultery means sexual relations with someone you are _____ to

- Luke 16:18 If I marry someone who has been divorced I am committing _____

THE EXCEPTION TO GOD'S RULE: God will allow a marriage to end if there has been adultery in the marriage. The one who did not commit adultery can divorce the one who did commit adultery. The one who did not commit adultery can remarry someone who is lawfully able to be married.

Matthew 5:32 Ending a marriage when there has been no adultery, will cause the person to become an _____. And, the one who marries that person becomes an _____
