

The Bible tells us we are in a fight, but it's important to know *who* we're supposed to be fighting. Our enemy is not God or other people. Here's how he's described:

And the great dragon ... that ancient serpent, who is called the _____ and _____, the deceiver of the whole world... (Rev 12:9)

_____ /
slanderer

_____ /
adversary

Why is our enemy described in such an awful way? It goes all the way back to:

In the beginning, God _____... (Gen 1:1)

For six days God created, and "it was very good." He eventually planted a garden in Eden, "and there he put the man whom he had formed," along with the tree of life and the tree of the knowledge of good and evil.

The LORD God took the man and put him in the garden of Eden to work it and keep it. And the LORD God commanded the man, saying, "You may surely eat of every tree of the garden, but of the tree of the knowledge of good and evil you shall not eat, for in the day that you eat of it you shall surely die." (Gen 2:15-17)

What happened when:

- Cain treated Abel like an enemy in **Genesis 4:1-8?**
- King Saul treated young David like an enemy in **1 Samuel 18:6-12?**
- How are we warned in **Galatians 5:14-15?**

▸ It's also really important that we understand those four important lessons at the end of the video. **Our Creator has the right to...** Let's think through these together:

- Put us where he wants us
- Command us
- Give us a choice
- Hold us accountable
