Part 1

But the fruit of the Spirit is... (Gal 5:22-23)

Have you ever heard anybody talk about “the fruit of the Spirit”? **What is “the fruit of the Spirit”?**

We read those words in our Bibles from **Galatians 5:22-23**, but you can’t buy this “fruit” in a grocery store. Let’s keep our Bibles open right there and learn where this “fruit” comes from.

★ **Galatians 5:16** - “But I say, _____ by the Spirit...”

God has shown us the **path**—the **way** he wants us to live.

★ **Galatians 5:18** - “But if you are _____ by the Spirit...”

How does the Spirit **lead** us?

★ **Galatians 5:25** - “If we _____ by the Spirit, let us also **keep in** _____

with the Spirit.” We need to **listen** to **God** more than we listen to anyone else, including ourselves.

★ **Galatians 6:8** - “...the one who _____ to the Spirit...”

That’s how the “fruit of the Spirit” sprouts in our hearts and blesses the people around us!
