

**How Does God
Communicate
With Us**

BUILDING BLOCKS

Creation

Part 1

Can you find **Psalm 19** in your Bible? In **Psalm 19:1-6**, David helps us answer our big question of the month—**HOW** does God communicate with us?

He teaches us in **Psalm 19** that:

★ The **heavens** _____

What do they declare? The glory of _____

★ The **sky** proclaims

What does it proclaim? God's handiwork

This is why David also wrote in **Psalm 8:3-4**:

When I look at your heavens,
the _____ of your fingers,
the moon and the stars,
which you have set in place,
what is man that you are mindful of him,
and the son of man that you _____ for him?

God powerfully communicates with us “**day to day**” and “**night to night**” through the amazing things that he has created.

BUT, the sun, moon, and stars can only tell us so much, and they can't answer the **BIGGEST** questions about our **GREATEST** needs. If we go back to **Psalm 19:12-14**, notice what the sun, moon, and stars **CAN'T** tell us...

Creation is a powerful witness, but trees and waterfalls can't teach us how to be innocent, free from sin, blameless, and acceptable in the sight of our Rock and Redeemer. His “**eternal power**” and “**divine nature**” can be “**clearly perceived**” (**Rom 1:20**), but we need more to fully understand life the way it was meant to be.

FOUNDATION STONES

There are **LOTS** of ways to communicate with other people.

Can you draw some different ways you're able to send a message to someone else?

Jesus also taught us that we can learn **BIG** lessons from creation in his Sermon on the Mount. Can you find [Matthew 6:25-33](#) in your Bible? Let's read that together. What is Jesus helping us to understand about God?

Of all the things God made in his **AMAZING** world, what's your favorite? Mr. Jason loves mountains and trees. What's **YOUR** favorite? Draw a picture of your favorite below...
