Noah- God keeps His promises

Pass out handkerchiefs

Many people were on the earth and everyone had forgotten about God. God was very sad when people were doing bad things all the time. When people didn't listen to their mommies and daddies, He was sad. When people didn't share or talked in an angry voice, God was sad.

Now Noah was God's friend. What do friends do? They go places together, and listen to each other. They hug each other and say, "I love you." Noah listened to God and loved God.
