

FELLOWSHIP Helps Us FINISH What Was STARTED

Fellowship: a word that implies participation, sharing, commonality, or partnership.

1 Corinthians 1:9 contains incredibly wonderful news!

- “God is _____” – an opportunity is made available by grace
- “By whom you were _____” – good news calls for a response (2 Thes 2:13-14)
- “Into the _____” – we are called to become part of something bigger
- “Of his _____” – this new relationship revolves around God (1 John 1:1-3)

When you answer that call and / answer that call, as we devote ourselves to “walking in the light,” we enjoy **fellowship** with one another (1 John 1:5-7). We are drawn into the state of being “fellows” (Col 4:7, 10-11; Phil 2:25). The gospel brings us into:

- _____ (John 17:20-21)
- Agreement (1 Cor 1:10)
- One _____ (1 Cor 12:12-13)
- Family (2 Cor 6:14-18)
- _____ (Eph 2:13-19)
- Membership (Eph 3:6)
- _____ (Eph 4:1-6)
- Partnership (Phil 1:3-5)
- Full _____ (Phil 2:1-2)

How does fellowship help us finish what was started?

- We _____ out for each other (Phil 2:3-4; 2 Cor 13:11; 1 Thes 5:11-15)
- We _____ for each other (Heb 3:13-14; 10:24-25)
- We _____ with and _____ with each other (1 Cor 12:25-26)
- We _____ in Christ’s _____ together (Eph 2:10)
