KOINONIA KONNECTIONS

Koinonia. We've heard that word a lot lately, haven't we? It's a Greek word that means fellowship, partnership, sharing, or participation. Our powerful Spring Series was all about *koinonia*. We worship together each week, but how well do we really know each another?

With that in mind, we're excited to introduce a new program designed to build and strengthen our fellowship—a practical way for us to get to know each other better. We're calling it **Koinonia Konnections**. **Here's how it works:** the members of our church family who opt in will be paired with a different brother or sister each month (always men with men and women with women). Your simple goal for the month? Spend time with that person. Go out to eat. Grab some coffee. Go for a walk. Use your imagination and do something together. In the process, talk with each other. Share about your families, your work, your hobbies, your favorites. Just get to know each other!

The next month? You'll be paired with a different person. Each month, you'll have a new opportunity to connect with a member of our church family outside of the church building. You'll only ever be paired with someone who signed up for **Koinonia Konnections**; this is strictly on an opt-in basis, but a great way to build stronger bonds with each other. **Here's all you need to do:**

1. Visit CharlestownRoad.org/koinonia to sign up; again, only those members of our church family who sign up will participate.
2. On **June 1**, you'll be notified of your koinonia connection for the month.
3. In time, you'll have the opportunity to connect with everyone on the list (again, always men with men and women with women).

Koinonia Konnections: a great way to get to know our church family better.
