

THROUGH THE WATERS

"When you pass _____ the _____, I will be with you... For I am the LORD your God, the Holy One of Israel, your _____." (Isa 43:2-3)

In each of the scenes we'll explore together over the next four days...

- Someone is in _____.
- They've come face-to-face with their own human _____.
- But they've crossed paths with a God who is willing to _____ them and desires a _____ with them.

This is the context of our key passage:

- A message of _____: the LORD is _____ (40:1, 3-5)
- Despite our human limitations, the _____ of God stands forever (40:6-8)
- _____, the Lord GOD! (40:9-31; 41:4, 8-10, 17-20; 42:10, 13; 43:1-7)

The theme picked up by the apostle Peter in **1 Peter 3:18-4:11**:

- _____ is the greatest distress of all, separating us from God.
- On our own, we can't get _____ to God.
- God has already accomplished everything necessary to _____ us and he continues to desire a _____ with each one of us.
